Spees Building: Courtyard

Capacity: 200 (seated)
300 (standing)

Rate: Sun–Fri: \$5,200

A relaxed, open-air setting perfect for casual gatherings, picnics, and outdoor celebrations. Nestled between the Spees and Dellums buildings, this space features an amphitheater, garden, and dining areas with stunning views of the neighboring Joaquin Miller Park. Ideal for corporate mixers, family reunions, and laid-back receptions.

OUR VENUES

Spees Building: Planetarium

Capacity: 241

Rate: \$2,500 with rental of another venue;
\$3,500 stand-alone 2 hrs

Create a one-of-a-kind experience under our 70-foot dome, where the universe becomes part of your event. Whether it's a wedding, proposal, memorial, or presentation, our team can custom-design celestial projections to make your moment truly unique. Exchange vows beneath the night sky from a meaningful date, have a moon-rise frame your entrance, or set the scene with a cosmic nebula in your favorite colors. For a dramatic finale, watch galaxies collide as you share your first kiss. Choose from Chabot's collection of immersive shows or project your own custom content for a truly out-of-this-world experience.

PLANETARIUM

Spees Building: Theater

Capacity: 205

Rate: \$1,900 with rental of another venue;

SPACE & ASTRONOMY

Mars Lander Challenge

Availability: Weekdays & Weekends

Capacity: 30 people

Rate: 60 min. \$500 (with lab rental)

How do we safely land rovers on Mars? Teams will design and test Mars landers to keep their cargo safe on impact, following the same problem-solving techniques used by NASA engineers.

Asteroids, Comets & Meteors Workshop

Availability: Weekdays & Weekends

Capacity: 10-100 people

Rate: 60 min: \$25/person

90 min: \$30/person

180 min: \$40/person

all with room rental,

call for half day or full day options

Uncover the mysteries of space rocks through interactive investigations and hands-on experiments. Teams will even craft their own sublimating dry-ice comets, just like those hurtling through our Solar System!

SCAVENGER QUESTS

Outdoor

Availability: Weekdays & Weekends, Daytime

(weather-dependent)

Capacity: 200

Rate: 60 min. \$5/person

Compete with your colleagues on a nature-themed scavenger quest under the largest remaining natural grove of coastal redwoods in the East Bay. Put your nature knowledge to the test as you solve riddles about the flora, fauna, geology, culture, and history of Reinhardt Redwood Regional Park, one of the most majestic parks in the San Francisco Bay Area.

Indoor

Availability: Weekdays & Weekends, Daytime

Capacity: 200

Rate: 60 min. \$5/person

Compete with your colleagues on a space-themed scavenger quest through Chabot Space & Science Center's exhibit halls. Connect with teammates while visiting our NASA Ames Visitor Center, seeing a full-scale Moon rover, and exploring the mysteries of light in space. Explore the wonders of our Solar System's star in Touch the Sun, and travel through decades of space exploration frontiers in Going the Distance.

"I had a soft spot in my heart knowing my venue costs were going towards a non-profit and good cause. The venue itself is stunning and set such a positive vibe."

HOLLY

INTERACTIVE ADD-ON EXPERIENCES

Add light snacks, charcuterie, and non-alcoholic beverages to your program (including coffee and tea options) for \$25 per person.

SCIENCE & ENGINEERING

Wind Turbine Challenge

Availability: Weekdays & Weekends

Capacity: 30 people

Rate: 60 min: \$500 (with room rental)
90 min: \$750 (with room rental)

Harness the power of the wind! Work together with your colleagues to design a wind turbine that produces at least one volt of energy. Like true engineers, each team will collaboratively design, test, and redesign a turbine, then compete to see which team's turbine generates the most energy.

Interpretative Hike

Availability: Weekdays & Weekends (weather-dependent)

Capacity: 40 people

Rate: Easy (60 min.): \$600
Moderate (120 min.): \$900

Enjoy an interpretative hike under the majestic coastal redwoods of Reinhardt Redwood Regional Park. With our knowledgeable guides, learn to identify local flora and fauna, and the East Bay hills' fascinating histories. Easy (60 min.) and moderate (120 min.) routes available.

Bridge Engineering Challenge

Availability: Weekdays & Weekends

Capacity: 45 people

Rate: 60 min. \$700 (with room rental)

In this hands-on challenge, build a lasting bridge between you and your colleagues. Bridges, like our region's impressive Bay Bridge, must be made to withstand forces of nature and the intense wear-and-tear of daily traffic. As you race to create a durable structure, learn how civil engineers consider physics, wind engineering, seismology, and more in the design and construction of bridges. Then, put your structure to the ultimate test. Can you and your team overcome the pressure?

TINKERING & MAKING

Stellar Space Painting

Availability: Weekdays & Weekends

Capacity: 10-25 people

Rate: 120 min: \$30/person (with lab rental)

Have you seen the brilliant images produced by the James Webb Space Telescope? In this artistic workshop, don your smocks and express your inner painter as our instructors guide you and your team towards stellar creations on canvas. Choose from our library of images, or allow us to surprise you with a nebula, galaxy, or star.

Nature Journaling

Availability: Weekdays & Weekends

(weather-dependent)

Capacity: 10-40 people

Rate: 120 min. \$30/person

Experience the wonders of our local coastal redwoods while keeping a scientific field journal. With our outdoor educators, learn how to identify species as professional ecologists do and to illustrate animals, plants, and geological features you see in Reinhardt Redwood Regional Park. You and your colleagues will leave with a permanent, unique record of your outdoor experience.

Creative Caps: Bottle Cap Builders

Availability: Weekdays & Weekends

Capacity: 10-50 people

Rate: 60-75 min. \$25/person
(with room rental)

Unlock your team's creativity and collaborative spirit in this engaging workshop. This unique team-building experience combines environmental consciousness with artistic expression, as your team transforms discarded bottle caps into captivating works of art and wearable expressions. Our experienced facilitators will guide your team through the creative process, offering insights into upcycling techniques, art fundamentals, and design principles. A perfect companion to a Happy Hour.

INTERACTIVE ADD-ON EXPERIENCES

Add light snacks, charcuterie, and non-alcoholic beverages to your program (including coffee and tea options) for \$25 per person.

BOOKING & CANCELLATION

How do I secure my date?

An event space and date are reserved once a signed contract is returned with a 50% deposit. The remaining balance along with a refundable \$1,000 security deposit becomes due 30 days before the event (\$100 classroom security deposit).

How far in advance should I secure my date?

It is never too early to book your date, especially if it is a date that you are not willing to give up. Saturdays in popular seasons usually book more than a year in advance.

Do you book multiple events at the same time?

Chabot may host other programs or events in non-reserved spaces. Any spaces that are not reserved will remain off-limits to guests. We prioritize event privacy and ensure that all considerations are made to provide a seamless experience for your event.

What is your cancellation policy?

If a booking is canceled in writing 150+ days prior to the event, 100% of the deposit minus a processing fee will be returned; 90–150 days prior to the event 50% of the deposit will be returned. Cancellations received less than 90 days in advance do not qualify for a refund. An event may be rescheduled once without a fee with appropriate notice.

Do I need to provide insurance?

Yes. Chabot requires a certificate of insurance in the amount of up to \$1 million of coverage for events taking place in exhibits. This does not apply to meetings held in classrooms. The client obtains this through their insurance company within 30 days of the event. We can also refer you to an event insurance provider.

FOOD & BEVERAGES

Can I serve food and beverages in the exhibit spaces?

Yes! As a nonprofit and educational institution our exhibits are intended to be hands-on. We welcome guests to interact with exhibits throughout the event. The only restricted areas are the telescope domes and theaters, although drink drop stations can be arranged for any guests that would like to partake in viewings or shows.

What is your alcohol policy?

Liquor is permitted but may only be consumed by guests aged twenty-one (21) years or older and must be served by a licensed bar service. All of the preferred caterers can provide bar service.

Can I cook my own food in your catering kitchen?

No, only licensed caterers approved by Chabot Space & Science Center may use the catering kitchen.

Do I need to use an approved caterer?

It is highly recommended that clients coordinate with one of our preferred caterers. The use of a non-preferred caterer incurs a \$1,000 buyout fee and will increase the security deposit to \$1,500. All Chabot caterers are well-versed in our policies and procedures, and are fully insured and licensed by the city and state. The caterer provides all personnel and equipment required for preparation of food and beverage, handles rental orders for tables, linens, dishware, etc., and is responsible for setup/breakdown within Chabot's rental agreements. Drop-off catering is permitted only with prior approval.

PLANNING & EVENT LOGISTICS

Does Chabot provide event planning?

An on-site coordinator will assist with facility-related issues, but that person is not a comprehensive event planner. We are happy to refer clients to a skilled complete event planning specialist in our recommended vendor list.

Is furniture included? Who orders the rental equipment?

We have a limited amount of casual furniture in some venues or some additional tabling available for rental. Formal dining furniture is typically ordered by the caterer. Preferred caterers are all full-service vendors and can provide tables, chairs, linen, dinnerware, and glassware. We can also refer you to a rental company if you would like to handle these needs.

Is there a hospitality room to get dressed before the ceremony?

Yes, we provide a classroom or alternative space as a hospitality room for wedding rentals.

When can set up begin?

Set-up in exhibit spaces can begin at 5 pm on public admission days. Events on Mondays and Tuesdays may begin within a time frame contracted with Chabot event coordinators. Deliveries may arrive at the assigned loading dock starting at 12 pm on the day of the event. Vendors may begin staging on the loading docks or in prep spaces at 3 pm so they can load in promptly at 5 pm.

Who is responsible for event cleanup?

The client is responsible for the set-up and removal of all equipment used for their event, although this is typically handled by the caterer. All Chabot preferred caterers will take care of any food service cleanup during and after the event, including all rental equipment such as table, chairs, flatware, glassware, etc.

If we rent a space at your facility, can our guests roam through the entire center?

No. Spaces not reserved remain off limits to guests, unless special admission has been arranged.
